Pipe/pole mounting kits for enclosures

Professional mounting of enclosures
to large diameter pipes and poles

Information at www.hensel-ks.co.uk

Professional mounting of enclosures

to large diameter pipes and poles

Pipe and pole mounting solutions make installations easy, safe and flexible!

Installation enclosures mounted on round pipes/poles ensure, for example, the connection of lighting and devices of the safety technology (cameras, motion detectors, etc.).

These mounting kits allow to mount enclosures to large diameter pipes and poles

- for mounting installation enclosures on pipes/poles via clamps and screws.
- clamps and screws included
- clamping range 60 to 150 mm
- for all junction boxes DK, KF and WP, KV small-type distribution boards up to 54 modules and Mi enclosures up to size 4 (300 x 600 mm)
- easy installation: mounting holes with pre-cut M4 threads
- material: stainless steel V2A
- suitable for outdoor installation

Pole mounting of cable junction boxes

Pole mounting of KV small-type distribution boards

Pole mounting of Mi enclosures

ENYCASE®

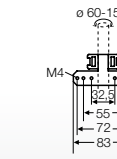

DK Cable junction boxes
Accessories

DK MB 1
Mounting kit
for pipe and post installation

- for cable junction boxes DK 02.. X, KF 02.. X, WP 02.. X
- for cable junction boxes DK 04.. X, KF 04.. X, WP 04.. X
- for cable junction boxes DK 06.. X, KF 06.. X, WP 06.. X
- suitable for pipe/pole diameters of 60 - 150 mm
- clamps and screws included

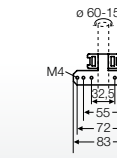

material stainless steel V2A

DK MB 2
Mounting kit
for pipe and post installation

- for cable junction boxes DK 10.. X, KF 10.. X, WP 10.. X
- for cable junction boxes DK 16.. X, KF 16.. X
- suitable for pipe/pole diameters of 60 - 150 mm
- clamps and screws included

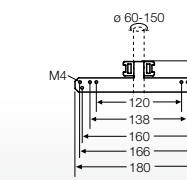

material stainless steel V2A

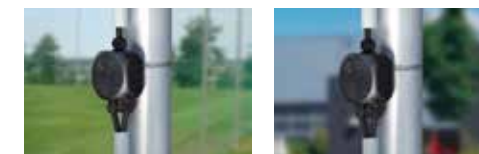

DK MB 3
Mounting kit
for pipe and post installation

- for cable junction boxes DK 25.. X, KF 25.. X
- for cable junction boxes DK 35.. X, KF 35.. X
- for cable junction boxes DK 50.. X, KF 50.. X
- suitable for pipe/pole diameters of 60 - 150 mm
- clamps and screws included

material stainless steel V2A

Application:

Lighting control of a sports field

Power supply of a security camera in public area

ENYBOARD

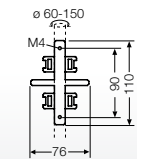

KV Small-type distribution boards
Accessories

KV MB 3
Mounting kit for pipe and post installation

- for small-type distribution boards with 3 modules
- suitable for pipe/pole diameters of 60 - 150 mm
- clamps and screws included

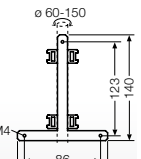

material stainless steel V2A

KV MB 4
Mounting kit for pipe and post installation

- for small-type distribution boards with 4.5 modules
- suitable for pipe/pole diameters of 60 - 150 mm
- clamps and screws included

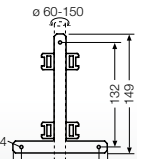

material stainless steel V2A

KV MB 6
Mounting kit for pipe and post installation

- for small-type distribution boards with 6 modules
- suitable for pipe/pole diameters of 60 - 150 mm
- clamps and screws included

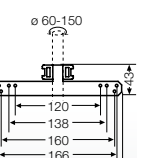

material stainless steel V2A

KV MB 9
Mounting kit for pipe and post installation

- for small-type distribution boards with 9 modules
- suitable for pipe/pole diameters of 60 - 150 mm
- clamps and screws included

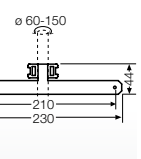

material stainless steel V2A

KV MB 12
Mounting kit for pipe and post installation

- for small-type distribution boards with 12 modules per row
- suitable for pipe/pole diameters of 60 - 150 mm
- clamps and screws included

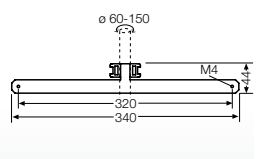

material stainless steel V2A

KV MB 18
Mounting kit for pipe and post installation

- for small-type distribution boards with 18 modules per row
- suitable for pipe/pole diameters of 60 - 150 mm
- clamps and screws included

material stainless steel V2A

Application:

Lighting control of a residential complex and parking

Power supply of a security camera in public area
